Brachot Surfaces produces high-quality slabs of natural stone and blended materials, which are commercialised through the brands Unistone (quartz composite), Unimarble (marble composite), Uniceramica (ceramics) and Terrazzo (cementitious sheet material). Combining technical innovation with many years of expertise, this Brachot Family Member offers complete materials for interior and exterior finishing. Thanks to its ample knowledge and experience, Brachot Surfaces is also the ideal partner for selecting and purchasing blocks of natural stone.

Brachot Surfaces is a Brachot Family Member.
